## Why HRAC...

I was very interested in the Science of Health Care Delivery PFAC, which has now merged with the REP CAB to form this new group.

## Family

Husband, son, daughter, son-in-law and 2 granddaughters.

## Occupation

Retired teacher.

## Hobbies/Interests

We are members of the Rochester Athletic Club and I enjoy those classes and activities. Another interest is reading about nutrition, especially the Whole Food Plant Based way of eating.

## Passion

Being part of my children's and granddaughter's lives and activities. Good nutrition and remaining physically active.

## Quote(s)

Favorite: "Not my circus, not my monkeys!"

## Dream project for next year...

Significantly downsizing and taking unneeded things to the Restore and Salvation Army.

## Learn anything...

Improve my running skills so running 5k's would be easier.

## Scenery to paint...

Colorado mountains – they are breathtaking!
